Collection of World Cultural and Tourist Cities

世界文化旅游名城论坛是世界旅游城市之间交流合作的重要平台，旨在通过加强各旅游城市间的文化交流，增进世界文明互鉴，打造国际知名的文化旅游城市品牌。

该论坛举办两届以来，吸引了众多历史文化名城参加：始于公元前 214 年任嚣建城、后成为南越王都城的广州，1062 年由阿尔穆拉比特王朝统治者始建的马拉喀什，1329 年建市、1437 年成为苏格兰首府的爱丁堡，1350 年从一个贸易小站蜕变而来的曼谷，首次记载于 1466 年、与白鹤有着传奇故事的基希讷乌……历史虽已远去，但这些历经千百年却依旧矗立眼前的古城越发风姿绰约。

一城一文卷，一眼越千年。这一次，让我们站在历史的新页上，循着古城悠久的历史脉络，在旅途中漫步，在文化中流连。

The World Famous Cultural Tourism Cities Forum is an important platform for exchange and cooperation among world tourist cities. It aims to create an internationally renowned cultural tourism city brand by enhancing cultural exchanges among tourist cities and promoting mutual learning among world civilizations.

Since its inception, the forum has attracted numerous historic and cultural cities to participate: Guangzhou, founded by Ren Xiao in 214 BC and later becoming the capital of the Nanyue Kingdom, Marrakech, established by the rulers of the Almoravid dynasty in 1062 AD, Edinburgh, founded in 1329 AD and becoming the capital of Scotland in 1437 AD, Bangkok, which transformed from a trading post in 1350 AD, and Chisinau, first recorded in 1466 and known for its legendary stories with white storks. Although history has receded into the past, these cities, standing tall for century or millennia, still exude a timeless charm.

One city, one scroll, a thousand years at a glance. This time, let us stand on a new page of history, following the ancient city's long historical thread, strolling through the journey, and lingering in its culture.
